

March 24, 2020

- According to DHEC's website at 4:35 pm on 23 March, Greenwood County has 2 cases of COVID-19 in the county. This is one less and is due to an initial case's home of record address being incorrect.
- Yesterday DHEC announced 103 new cases of COVID-19 in the State. This brings the total to 298 cases in 34 counties.
- There were 2 deaths reported yesterday. Both were elderly individuals with underlying health issues. The deaths occurred in Kershaw and Clarendon counties.
- Finally, due to large crowds gathering in numerous locations over the weekend, Governor McMaster issued an executive order allowing law enforcement to disperse any gatherings of 3 or more individuals if they pose a risk to the public's safety. He further stated "It does not apply to private businesses nor to responsible South Carolinians continuing to make the best out of this situation. This is the link to all executive orders relating to this state of emergency: <https://governor.sc.gov/executive-branch/executive-orders>.
