All,

Greenwood County had one more confirmed case yesterday for a total of 6.

SCDHEC reported 210 new cases for a total of 1,293 in 43 counties. Additionally, they reported 4 new deaths in Anderson, Beaufort, Lee and Richland counties for a total of 26. All patients were elderly and had underlying health issues.

Finally, what other information would you like for me to provide. Are there questions out there which we might be able to answer?. If you have suggestions or questions, please call 942-8553 or email me. I will do my best to find the information and share it with everyone.
