

May 1, 2020

As of yesterday's report, Greenwood County had 3 additional confirmed cases in the county for a total of 49 cases confirmed since 21 March. *Remember this is only those which have been confirmed and is for those who were tested a minimum of two days ago. This means there are others who have been tested and are in quarantine awaiting results. Additionally, an individual can be asymptomatic, (contagious but shows no symptoms), who would not meet the criteria to be tested.*

The first 19 cases in Greenwood County were reported over 15 days ago, so there are 19 individuals who should have recovered from the virus. This brings Greenwood County's remaining total of active confirmed cases to 30. *DHEC does not track recovered individuals by county, so this number is an estimate based on the following: Most individuals recover from the virus within this time frame; no deaths have been reported for Greenwood County.*

SCDHEC reported an additional 220 new confirmed cases in the state for a total of 6,095. Also, they reported 12 new deaths in the state for a total of 244; Anderson(2), Berkeley(1), Chesterfield(1), Florence(1), Greenville(3), Lexington(2), and Richland(2). 9 were elderly individuals and 3 was middle-aged. For additional information on underlying conditions or other information in this section, please call DHEC at 1-855-472- 3432.

SCDHEC and private labs have tested 56,512 individuals. Of this number, 6,095 have tested positive and 50,417 have tested negative across the state. To view additional information, see [DHEC's map page](#).
