As of yesterday's report, Greenwood County had 0 additional confirmed cases in the county for a total of 61 cases confirmed since 21 March. *Remember this is only those which have been confirmed and is for those who were tested a minimum of two days ago. This means there are others who have been tested and are in quarantine awaiting results. Additionally, an individual can be asymptomatic, (contagious but shows no symptoms), who would not meet the criteria to be tested.*

The first 40 cases in Greenwood County were reported over 15 days ago, so there are 40 individuals who should have recovered from the virus. This brings Greenwood County's remaining total of active confirmed cases to 21. *DHEC does not track recovered individuals by county, so this number is an estimate based on the following: Most individuals recover from the virus within this time frame; no deaths have been reported for Greenwood County.*

SCDHEC reported an additional 214 new confirmed cases in the state for a total of 7,142. Also, they reported 11 new deaths in the state for a total of 316; Allendale(1), Darlington(1), Fairfield(1), Kershaw(2), Lexington(1), Richland(3), and Williamsburg(2). 7 were elderly individuals and 4 were middle-aged. For additional information on underlying conditions or other information in this section, please call DHEC at 1-855-472- 3432.

SCDHEC and private labs have tested 73,442\* individuals. Of this number, 7,142 have tested positive and 66,300 have tested negative across the state.
