

May 11, 2020

As of yesterday's report, Greenwood County had 0 additional confirmed cases in the county for a total of 63 cases confirmed since 21 March. *Remember this is only those which have been confirmed and is for those who were tested a minimum of two days ago. This means there are others who have been tested and are in quarantine awaiting results. Additionally, an individual can be asymptomatic, (contagious but shows no symptoms), who would not meet the criteria to be tested.*

The first 43 cases in Greenwood County were reported over 15 days ago, so there are 43 individuals who should have recovered from the virus. This brings Greenwood County's remaining total of active confirmed cases to 20. *DHEC does not track recovered individuals by county, so this number is an estimate based on the following: Most individuals recover from the virus within this time frame; no deaths have been reported for Greenwood County.*

SCDHEC reported an additional 113 new confirmed cases in the state for a total of 7,653. Also, they reported 1 new death in the state for a total of 331; The death occurred in an elderly individual from Marion(1). For additional information on underlying conditions or other information in this section, please call DHEC at 1-855-472- 3432.

SCDHEC and private labs have tested 84,457 individuals. Of this number, 7,653 or 9.1% have tested positive and 76,804 or 90.9% have tested negative across the state. Yesterday, 3,421 tests were completed and 113 or 3.3% tested positive and 3,308 or 96.7% tested negative. To view additional information, see [DHEC's map page](#)
