

May 14, 2020

As of yesterday's report, Greenwood County had 4 additional confirmed cases in the county for a total of 67 cases confirmed since 21 March. *Remember this is only those which have been confirmed and is for those who were tested a minimum of two days ago. This means there are others who have been tested and are in quarantine awaiting results. Additionally, an individual can be asymptomatic, (contagious but shows no symptoms), who would not meet the criteria to be tested.*

The first 46 cases in Greenwood County were reported over 15 days ago, so there are 46 individuals who should have recovered from the virus. This brings Greenwood County's remaining total of active confirmed cases to 21. *DHEC does not track recovered individuals by county, so this number is an estimate based on the following: Most individuals recover from the virus within this time frame; no deaths have been reported for Greenwood County.*

SCDHEC reported an additional 133 new confirmed cases in the state for a total of 8,030. Also, they reported 7 new deaths in the state for a total of 362; Clarendon(2), Florence(1), Greenville(1), Lexington(1), Marion(1), and Richland(1), . 5 deaths were elderly individuals and 2 were middle-aged. For additional information on underlying conditions or other information in this section, please call DHEC at 1-855-472- 3432.

SCDHEC and private labs have tested 95,866 individuals. Of this number, 8,030 or 8.4% have tested positive and 87,836 or 91.6% have tested negative across the state. Yesterday, 2,726 tests were completed and 133 or 4.9% tested positive and 2,593 or 95.1% tested negative. To view additional information, see [DHEC's map page](#).
