

May 15, 2020

As of yesterday's report, Greenwood County had 1 additional confirmed case in the county for a total of 68 cases confirmed since 21 March. *Remember this is only those which have been confirmed and is for those who were tested a minimum of two days ago. This means there are others who have been tested and are in quarantine awaiting results. Additionally, an individual can be asymptomatic, (contagious but shows no symptoms), who would not meet the criteria to be tested.*

The first 48 cases in Greenwood County were reported over 15 days ago, so there are 48 individuals who should have recovered from the virus. **Additionally, Greenwood County had its first death due to the virus.** This brings Greenwood County's remaining total of active confirmed cases to 19. *DHEC does not track recovered individuals by county, so this number is an estimate based on the following: Most individuals recover from the virus within this time frame.*

SCDHEC reported an additional 172 new confirmed cases in the state for a total of 8,189. Also, they reported 9 new deaths in the state for a total of 371; Clarendon(2), Fairfield(2), Greenwood(1), Laurens(1), Lexington(1), Pickens(1), and Richland(1), . 5 deaths were elderly individuals and 4 were middle-aged. For additional information on underlying conditions or other information in this section, please call DHEC at 1-855-472-3432.

SCDHEC and private labs have tested 102,535 individuals. Of this number, 8,189 or 8.0% have tested positive and 94,346 or 92.0% have tested negative across the state. Yesterday, 6,669 tests were completed and 172 or 2.6% tested positive and 6,497 or 97.4% tested negative. To view additional information, see [DHEC's map page](#).
