As of yesterday's report, Greenwood County had 3 additional confirmed cases in the county for a total of 79 cases confirmed since 21 March. *Remember this is only those which have been confirmed and is for those who were tested a minimum of two days ago. This means there are others who have been tested and are in quarantine awaiting results. Additionally, an individual can be asymptomatic, (contagious but shows no symptoms), who would not meet the criteria to be tested.*

The first 63 cases in Greenwood County were reported over 15 days ago, so there are 63 individuals who should have recovered from the virus. Additionally, Greenwood County had 1 death due to the virus. This brings Greenwood County's remaining total of active confirmed cases to 15. *DHEC does not track recovered individuals by county, so this number is an estimate based on the following: Most individuals recover from the virus within this time frame.*

SCDHEC reported an additional 245 new confirmed cases in the state for a total of 9,638. Also, they reported 3 new deaths in the state for a total of 419; Jasper(1) and Spartanburg(1). All individuals were elderly. For additional information on underlying conditions or other information in this section, please call DHEC at 1-855- 472- 3432.

SCDHEC and private labs have conducted 154,746 tests. Of this number, 9,638 or 6.2% individuals have tested positive and 140,385 or 93.8% have tested negative across the state. Over the past two days, 16,508 tests were completed and 444 or 2.4% tested positive and 16,064 or 97.6% tested negative. To view additional information, see [DHEC's map page](#).
