

June 1, 2020

As of yesterday's report, Greenwood County had 7 additional confirmed cases in the county for a total of 142 cases confirmed since 21 March. (SCDHEC updated numbers from May 30th and added 6 new cases.) *Remember this is only those which have been confirmed and is for those who were tested a minimum of two days ago. This means there are others who have been tested and are in quarantine awaiting results. Additionally, an individual can be asymptomatic, (contagious but shows no symptoms), and may choose not to be tested.*

The first 69 cases in Greenwood County were reported over 15 days ago, so there are 69 individuals who should have recovered from the virus. Additionally, Greenwood County had 1 death due to the virus. This brings Greenwood County's remaining total of active confirmed cases to 72. *DHEC does not track recovered individuals by county, so this number is an estimate based on the following: Most individuals recover from the virus within this time frame.*

SCDHEC reported an additional 312 new confirmed cases in the state for a total of 11,861. Also, they reported 7 new deaths in the state for a total of 494; Anderson(1), Chester(1), Coleton(1), Darlington(1), Hampton(1), Marlboro(1) and York(1). All individuals were elderly. For additional information on underlying conditions or other information in this section, please call DHEC at 1-855-472-3432.

SCDHEC and private labs have conducted 206,247 tests. Of this number, 11,861 or 5.8% individuals have tested positive and 194,386 or 94.2% have tested negative across the state. Yesterday, 6,512 tests were completed and 312 or 4.8% tested positive and 6,200 or 95.2% tested negative. To view additional information, see [DHEC's COVID-19 webpage](#).
