As of yesterday's report, Greenwood County had 5 additional confirmed cases in the county for a total of 147 cases confirmed since 21 March. *Remember this is only those which have been confirmed and is for those who were tested a minimum of two days ago. This means there are others who have been tested and are in quarantine awaiting results. Additionally, an individual can be asymptomatic, (contagious but shows no symptoms), and may choose not to be tested.*

The first 69 cases in Greenwood County were reported over 15 days ago, so there are 69 individuals who should have recovered from the virus. Additionally, Greenwood County had 1 death due to the virus. This brings Greenwood County's remaining total of active confirmed cases to 77. *DHEC does not track recovered individuals by county, so this number is an estimate based on the following: Most individuals recover from the virus within this time frame.*

SCDHEC reported an additional 297 new confirmed cases in the state for a total of 12,148. Also, they reported 6 new deaths in the state for a total of 500; Colleton(2), Fairfield(2), Horry(1), and Lexington(1). All individuals were elderly.
