

June 3, 2020

All,

As of yesterday's report, Greenwood County had 2 additional confirmed cases in the county for a total of 148 cases confirmed since 21 March. (One case from earlier this week was removed from our totals due to further investigation determining they lived in another county). *Remember this is only those which have been confirmed and is for those who were tested a minimum of two days ago. This means there are others who have been tested and are in quarantine awaiting results. Additionally, an individual can be asymptomatic, (contagious but shows no symptoms), and may choose not to be tested.*

The first 71 cases in Greenwood County were reported over 15 days ago, so there are 71 individuals who should have recovered from the virus. Additionally, Greenwood County had 1 death due to the virus. This brings Greenwood County's remaining total of active confirmed cases to 76. *DHEC does not track recovered individuals by county, so this number is an estimate based on the following: Most individuals recover from the virus within this time frame.*

SCDHEC reported an additional 285 new confirmed cases in the state for a total of 12,415. Also, they reported 1 new death in the state for a total of 501; Horry(1). The individual was elderly. For additional information on underlying conditions or other information in this section, please call DHEC at 1-855- 472- 3432.

SCDHEC and private labs have conducted 225,047 tests. Of this number, 12,415 or 5.5% individuals have tested positive and 212,632 or 94.5% have tested negative across the state. Yesterday, 14,221 tests were completed and 285 or 2.0% tested positive and 13,936 or 98.0% tested negative. To view additional information, see [DHEC's COVID-19 webpage](#).
